

Picture King® Pro

Product Information

Robust tripod screen suitable for rental applications.

Carpeted case protects against scratches and dents.

TECHNICAL CHARACTERISTICS

- Product features are identical to the standard Picture King® but with the added benefit of a carpeted case.
- The carpeted case prevents nicks, dents and scratches to the case for rental applications.
- Heavy duty aluminum extruded legs with toe release ensures a wide stance for maximum stability.
- Screen height is adjustable to accommodate any ceiling height with self-locking extension tube and high-low case adjustment.
- Built-in fabric lock secures screen fabric during transport and use to prevent shifting.
- Built in keystone eliminator tilts the screen forward to compensate for distorted images (except on 244 x 244 cm model).
- 4:3 format features black borders.
- Black borders serve to frame the image and enhance perceived contrast.
- 1:1 format includes side borders.
- Seamless in all sizes.
